THE HON'BLE Ms. JUSTICE G. ROHINI

WRIT PETITION NO. 21098 of 1997

ORDER:

This writ petition is filed on 02-09-1997 aggrieved by the action of the respondent-Quli Qutub Shah Urban Development Authority in seeking to interfere with the petitioner's house which is abutting the Shah Ali Banda road for the purpose of the alleged road widening without following due process of law.

This Court, while directing Rule Nisi, passed an order on 03-09-1997, which runs as under:

> "The land acquisition proceedings in the instant case have not been initiated for road widening affecting the premises bearing No.20-6-558 and 559 situated at Shah Ali Banda, Hyderabad. The apprehension of the petitioner is that pursuant to the concerned consent letter, proforma of which was furnished to the petitioner and objections have been filed to the same by the petitioner, the premises in spite of the objections, may be demolished. The learned standing counsel for the respondent however states that the apprehension of the petitioner is imaginary and that the respondent would not demolish the structures or the premises bearing No.20-6-558 and 559 except by the process of law. The above undertaking has been recorded and it is directed that without due process of law, the petitioner shall not be dispossessed nor the premises in question shall be demolished."

Though Rule nisi was ordered long back in the year 1997, no counter affidavit has been filed on behalf of the respondent contradicting the petitioner's claim.

In the circumstances and in the absence of any counter

affidavit on behalf of the respondent, the writ petition is disposed of in terms of the interim order dated 03-09-1997. No costs.
